

***The Ultimate in Protection
For Your Smartphone or Tablet***

PhoneRetriever™ is an app that helps return your device and your data if it is lost or stolen.

How PhoneRetriever™ Keeps Phones Protected

- Device locks automatically after an unauthorized SIM card change
- Device Siren makes the phone a risk to handle
- Autolock functions lock device following unusual usage such as inactivity/call pattern, country dialing/roaming lock
- Map your device's location using either GPS or cell ID towers
- **We will ship your found device anywhere in the world for FREE**
