GWG Testimonial

Testimonial Provided by: Tariq Khan, Senior Vice President, The Wireless Center, Toledo Ohio

” GWG places a high value on customer service while allowing our dealership to generate steady profits.

“ With many years of selling GWG, I can genuinely say that GWG places a high value on customer service while allowing our dealership to generate steady profits. Their support staff is amazing and provides excellent field level support”.

About GWG

Global Warranty Group – iQmetrix SELECT Consumer Solutions Partner in the Handset Protection Category.

With over a decade of experience in the wireless industry, Global Warranty Group has become North America’s largest dealer-based administrator of insurance backed handset replacement programs. GWGs programs are sold in over 8,000 independent wireless retail locations as well as Regional Carriers, Master Agents and online providers. GWG represents over 80 Carriers and MVNOs.
