

Employee Commissions Done Right

The RQ employee commission module is valuable for both the corporate office, as well as your associates. Real time commissions can be a very powerful tool in motivating employees. However, to set up or to change a commission structure can be a daunting task. Let the RQ professional services team help to ensure it is done right the first time.

Our service includes:

An initial Call with an iQmetrix professional services specialist for iQmetrix to gain advanced knowledge of current and anticipated commission structure within your RQ database.

After this initial call the Professional Service Team will:

- Setup Employee Commission groups to specification
- Setup Commissions on All Products for Employees
- Setup requested Performance Groups
- Setup Performance Targets
- Setup any Milestones as per discussion
- Assign Employee to Commission groups, start date is flexible
- Setup any Manager Commissions as well if applicable

How much does this service cost?

All fees are based on number of employee commission groups:

- 1-10 Employee Groups \$500
- 11 + Employee Groups \$700

Setup includes a live WebEx training lasting up to one hour to discuss the setup and maintenance.

Please note: The setup of Employee Commissions is a one-time service. Any further maintenance is to be completed by the customer. However, we are happy to offer additional help or training for \$200 per hour.
