FAQs

- The Lenovo M73 Tiny Media Player is outfitted with a Display Port. Keep this in mind when considering displays and cabling as adaptors may be required.
- If the display(s) will be exposed to direct sunlight, you may want to consider a display with an anti-glare feature.
- Most of our partners carry products that are of commercial grade and thus carry a 3 year warranty.
- Timelines for hardware arrival is 4-6 weeks from date of order, pending in stock status.
- Payment for hardware will be made directly to CDW (CDN or US), a credit card number will be required by your CDW rep for your order to be released and shipped.
